**Read the following passage and mark the letter A, B, C, D to indicate the correct answer to each of the questions.**

I love watching films especially science fiction films, and one of my favourite film is "Harry Potter". Originally, it is a famous novel. My mum bought and gave it to me when I was eleven. I read it and couldn't put it down because it was so interesting. Therefore, when it was on Net Flix, I watched *it* immediately.

It is a story about people in the wizarding world. The main character is Harry Potter. His father was a talented wizard, but he died when Harry was small. He used to be an orphan in the normal world before he discovered his special abilities. When he went to Hogwarts School, Harry learned skills to become a wizard. He also learned how to overcome challenges in his study and to be protected from dark power.

The critics say that the film "Harry Potter" is a must-see. It will make the viewer excited during the film.

**21. What is the passage mainly about?**

- A. Harry Potter and his friends.                      B. My favourite film.
